

# With God On Our Side

## Bob Dylan & Joan Baez

Oh, my name, it ain't nothin', my age, it means less  
The country I come from is called the Midwest  
I's taught and brought up there, the laws to abide  
And that the land that I live in has God on its side Oh, the history books tell it, they tell it so well  
The cavalries charged, the Indians died  
Oh, the country was young  
With God on its side The Spanish-American War had its day  
And the Civil War too was soon laid away  
And the names of the heroes I was made to memorize  
With guns in their hands and God on their side The First World War, boys, it came and it went  
The reason for fighting I never did get  
But I learned to accept it, accept it with pride  
For you don't count the dead when God's on your side  
The Second World War came to an end  
We forgave the Germans and then we were friends  
Though they murdered six million, in the ovens they fried  
The Germans now too have God on their side I learned to hate the Russians all through my whole life  
If another war comes, it's them we must fight  
To hate them and fear them, to run and to hide  
And accept it all bravely with God on my side But now we got weapons of chemical dust  
If fire them we're forced to, then fire them we must  
One push of the button and a shot the world wide  
You never ask questions when God's on your side Through many a dark hour I been thinkin' about this  
That Jesus Christ was betrayed by a kiss  
But I can't think for you, you'll have to decide  
Whether Judas Iscariot had God on his side  
So now as I'm leavin', I'm weary as hell  
The confusion I'm feelin' ain't no tongue can tell  
The words fill my head and they fall to the floor  
That if God's on our side, he'll stop the next war
