

I'll Be Your Jonny On the Spot

Ween

I'll be your Jonny on th' spot
I'll be your Jonny on th' spot
My daddy died and left me all he's got
I'll be your Jonny on th' spot I get up early in the morn
I get up early in the morn
I slop the pigs and momma shucks the corn
I get up early in the morn I got a Chevy with a Mopar cam
I've got a Chevy with a Mopar cam
I've got a Chevy with a Mopar cam
I'll be your Jonny on th' spot I'll be your Jonny on th' spot
I'll be your Jonny on th' spot
My daddy died and left me all he's got
I'll be your Jonny on th' spot I get up early in the morn
I get up early in the morn
I slop the pigs and momma shucks the corn
I get up early in the morn I got a Chevy with a Mopar cam
I got a Chevy with a Mopar cam
I've got a Chevy with a Mopar cam
I'll be your Jonny on th' spot
