

You're Nobody Til Somebody Loves You

James Arthur

Long gone and fallen down but I'm loving how it taste
I look around for desire, love run away
Hold back, we're falling down, and I show you how it breaks
If I can give it, I'll take it, all of the way And I've got a lot of love tonight, babe You're nobody 'til somebody
loves you
It's hard times when nobody wants you
Fill up my cup, don't ever stop coming
Get over top, we'll make it hard running You're nobody 'til somebody loves you
So cold heart, when nobody holds you
Fill up my cup, don't ever stop coming
Get over top, we'll make it hard running The cold start coming down
I was way above the place
I wear it all for the day, now the day comes for me When I look back we're falling down, you live with a break
You always give it, I take it, all the way We've still got so much to love, babe You're nobody 'til somebody
loves you
It's hard times when nobody wants you
Fill up my cup, don't ever stop coming
Get over top, we'll make it hard running You're nobody 'til somebody loves you
So cold heart, when nobody holds you
Fill up my cup, don't ever stop coming
Get over top, we'll make it hard running Don't you stop
I am ready lady
Don't you stop
Take what's close to me
I am ready lady You're nobody 'til somebody loves you
It's hard times when nobody wants you
Fill up my cup, don't ever stop coming
Get over top, we'll make it hard running You're nobody 'til somebody loves you
So cold heart, when nobody holds you
Fill up my cup, don't ever stop coming
Get over top, we'll make it hard running
