U've Got It

Beverley Knight

Mmm
Oh yeah yeah
Yeah yeah yeah yeah
How should I have know all this before
When I cluelessly came walkin' through your door
How should I expect to meet someone like you
I think I must have stood there as if glued
I was only thinkin'
All I need, all I want
Yes, you've got it
Makes me breathless
Ooh you got it, you got it
And I know
Ain't nobody
Who can do this
Nobody who can do this
Whatcha do, watcha do
To me, baby
Is mysterious
What you do for me baby
You're so good, you're so good
For me, baby
I'm delirious
Delirious
I would like to get to know you well
See I just can't escape your special spell
No I just can't stop thinkin' what it would be like
If you and I were together
I wish we would try
Yeah, I wish we would try
All I need, all I want
Yes, you've got it
Makes me breathless
Makin' be breathless
Ooh you got it, you got it
And I know
Ain't nobody
Who can do this

Nobody who can do this

Whatcha do, watcha do
To me, baby
Is mysterious
What you do, what you do for me baby
You're so good, you're so good
For me, baby
I'm delirious
I'm delirious oh yes
Oh, I just pray that you feel the same
That you don't just give me slap in the face
Cause I'm so hopelessly in love with you
Oh, I could not stand your turning away
Baby
I couldnt stand it
(turn away no no no no)
Ooh you got it
All I need, all I want
Yes, you've got it
Makes me breathless
All I need, all I want
Yes, you've got it
Oh baby
And I know
Ain't nobody
Who can do this
Nobody
Whatcha do, watcha do
To me, baby
Is mysterious
What you do for me baby
For me, baby
I'm delirious
I am delirious
All I need, all I want
Yes, you've got it
Makes me breathless
Everything about you
And I know
Ain't nobody
Who can do this
