Back Down the River

John Martyn

I know that we're gonna be together, you and me
For more than a rhyme or two, your time belongs to meRowing back down my river, chasing my tail to the sea
Rowing back down my river, trying my best to be meWatching your crazy ways and all the lazy days
Digging you more and more the more I see your faceRowing back down my river, trying my best to be free
Rowing back down my river, chasing my tail to the seaWatching the simple things to help me grow along
Loving the note she bring to help me sing my songRowing back down my river, trying my best to be me
Rowing back down my river, singing my songs to the sea
I know that we're gonna be together, you and me
For more than a time or two, your rhymes belongs to me
