

# My Own Worst Enemy (feat. Brent Smith)

## Saliva

Another day in tribulation  
Dead set on annihilation  
No thought for my preservation  
I'm fading away My existence abomination  
No level of hesitation  
My death is a revelation  
I'm going to hell You did this to me  
You made me bleed  
You killed my dreams  
I'm my own worst enemy You're gonna be dead and gone  
You know that life goes on  
You're gonna be dead and gone  
You know your life goes on Another day of my destruction  
Another scream in the night to no one  
My God, have I been forsaken?  
I'm taken away Oh God, I'm outta control  
I have sold my very soul  
Well, everyday I dig this hole  
Bury me today You did this to me  
You made me bleed  
You killed my dreams  
I'm my own worst enemy You're gonna be dead and gone  
You know that life goes on  
You're gonna be dead and gone  
You know your life goes on Life goes on, life goes on  
Life goes on and on and on and on I'm my own worst enemy  
Yeah, I'm my own worst enemy  
I'm my own worst enemy You're gonna be dead and gone  
You know that life goes on  
You're gonna be dead and gone  
You know your life goes on
