Timewave Zero

Anaal Nathrakh

All is gone now, atone
Linear time overthrown
When you find it's all a lie
All worlds will dieTime was all mine, I know
Read the signs that I've shown
If you read between the lines
You'll know once the end comesSigns will arrive tonight
Guiding light decrease my pain
That I created on my ownBlind be my eyes tonight
Hide the sight that sees in vain
Before and after is all done
And everything is in time goneAs I moved into worlds forsaken
I saw things mankind can never own
When we move on through minds awaken
Die while you're alive and then you'll knowSpeak to mankind
Through the raining light benignSigns will arrive tonight
Guiding light decrease my pain
That I created on my ownBlind be my eyes tonight
Hide the sight that sees in vain
Before and after is all done
And everything is in time goneSigns will arrive tonight
Guiding light decrease my pain
That I created on my ownBlind be my eyes tonight
Hide the sight that sees in vain
Before and after is all done
And everything is in time gone
