No Taboo

Sandra

It's late at night, you won't sleep,
You lie awake and think
About him and his blue eyes,
You feel a burning desire...
Imagine this: You are at home,
On dim light in your room,
You want him and he wants you,
So what you're gonna do?Don't know if it's wrong, I don't know if it's right,
But if your love is true, there's no taboo,
(Girl, understand)
Don't know if it's wrong,
(Girl, I need you)
I don't know if it's right,
(Girl, I love you)
But if your love is true, there's no taboo...Close your eyes - How does it feel?
Can you be sure, will you give in?
If you do, it's passion,
L'amour, toujours...Don't know if it's wrong, I don't know if it's right,
But if your love is true, there's no taboo,
(Girl, understand)
Don't know if it's wrong,
(Girl, I need you)
I don't know if it's right,
(Girl, I love you)
But if your love is true, there's no taboo...Shocked, ashamed and here you go,
Want dim light in your room,
You want him and he wants you,
You do know what to do,
Don't know what is wrong,
(Girl, I want you)
I don't know what is right,
(Girl, I need you)
But if your love is true, there's no taboo,
(Girl, understand)
Don't know if it's wrong,
(Girl, I need you)
I don't know if it's right,
(Girl, I love you)
But if your love is true, there's no taboo
