

I Never Told You

Colbie Caillat

I miss those blue eyes
How you kiss me at night
I miss the way we sleep Like there's no sunrise
Like the taste of your smile
I miss the way we breathe But I never told you
What I should have said
No, I never told you
I just held it in And now,
I miss everything about you
Can't believe that I still want you
And after all the things we've been through
I miss everything about you
Without you, oh I see your blue eyes
Every time I close mine
You make it hard to see
Where I belong to
When I'm not around you
It's like I'm not with me But I never told you
What I should have said
No, I never told you
I just held it in And now,
I miss everything about you (still you're gone)
Can't believe that I still want you (loving you I should have never walked away)
And after all the things we've been through (I know it's never going to come again)
I miss everything about you
Without you But I never told you
What I should have said
No, I never told you
I just held it in And now,
I miss everything about you (still you're gone)
Can't believe that I still want you (loving you I should have never walked away)
And after all the things we've been through (I know it's never going to come again)
I miss everything about you
Without you
Oh oh oh oh oh
Mmm mmm mmm mmm
