Life Of A Soldier

illScarlett

Your at home, I'm awake and it's all I can say is that this boy is still the same its the man inside that's changed.
(From all the line, but still behind), seems like I'm trying way to hard and like i haven't tried at all...
(Hardest of the feeling all the ways), feel all the weight that's crushing me
(When you come around), your like a little slice of heaven when I'm coming down, lifting me up above the clouds!

I'll sleep tonight but the wars far from over
Tomorrow is no guarantee
If i don't return from this life of a soldier
Don't you be crying for me

Throw this all away, (nothing comes for free at least that's what they say)
If i had the chance to do it all again, (if i had the chance to do it all again)
Racin' against the clock to relieve the pressure, (pushing you away so we could be together)
Carry me today, (I'll carry you forever)
Lets take a chance and we'll see if this won't last
(Hardest of the feeling all the ways), feel all the weight that's crushing me
(When you come around), your like a little slice of heaven when I'm coming down, lifting me up above the clouds!

I'll sleep tonight but the wars far from over
Tomorrow is no guarantee
If I don't return from this life of a soldier
Don't you be crying for me

There's a couple of men in the manners inside, takes a deep breath as he straightens his tie
Its nothing new cause hes done this before, she knew it as soon as he knocked on the door
Please tell me, please tell me I must be dreamin', what will I do I just can't believe it
Takin' away always takin' away, someone take me away someone take me away!

I'll sleep tonight but the wars far from over
Tomorrow is no guarantee
If i don't return from this life of a soldier
Don't you be crying for me

(Nothing comes for free, at least that's what they say)
(If i had a chance to do it all again)
(Pushing you away so that we can be together)
