

# Loud & Proud

## Brooklyn Bounce

(Pump up the volume  
B B's back  
Loud & proud  
Cause we're loud & proud  
The nation to be back

This is revolution in sound  
We got the bass, (in sound)  
Let's do it  
The bounce to be back  
Loud & proud

Rewind

Check the sound  
Loud & proud  
Hear the music loud & proud  
Loud & proud  
Hear the music loud & proud  
The beats we rule there is no doubt  
Loud & proud  
You're the one to remember  
Hear the music...  
Loud & proud

(music)

Cause we're loud & proud  
Loud & proud  
Let's go  
Loud & proud  
Cause we're loud & proud  
Everybody now let's get ready  
Hear the music loud & proud  
This is revolution in sound  
In sound  
Loud & proud  
Hear the music loud & proud
