Impossible.

shontelle.

I remember years ago
Someone told me I should take
Caution when it comes to love
I did I didAnd you were strong and I was not
My illusion, my mistake
I was careless, I forgot
I did I didAnd now when all is done and
There is nothing to say
You have gone and so effortlessly
You have won
You can go ahead tell themTell them all I know now
Shout it from the roof tops
Write it on the skyline
all we had is gone nowTell them I was happy
And my heart is broken
All my scars are open
Tell them what I hoped would be
Impossible, impossible
Impossible, impossibleFalling out of love is hard
Falling for betrayal is worseBroken trust and broken hearts
I know, I knowThinking all you need is there
Building faith on love and words
Empty promises will wear
I know, I knowAnd now when all is gone
There is nothing to say
And if you're done with embarrassing me
On your own you can go ahead tell themTell them all I know now
Shout it from the roof tops
Write it on the skyline
All we had is gone nowTell them I was happy
And my heart is broken
All my scars are open
Tell them what I hoped would be
Impossible, impossible
Impossible, impossible
Impossible, impossible
Impossible, impossible!
Ooh impossible (yeah yeah)I remember years ago
Someone told me I should take

Caution when it comes to love
I didTell them all I know now
Shout it from the roof tops
Write it on the skyline
All we had is gone nowTell them I was happy
And my heart is broken
All my scars are open
Tell them what I hoped would be
impossibleI remember years ago
Someone told me I should take
Caution when it comes to love
I did
