I Can Do It Without You

Kaiser Chiefs

None of the buildings even look the same
And underneath them all the shops have changed
I don't pretend they're in a lot more pains
Stocking much too young for the professionals to stay inI can do it, I can do it
I can do it, I can do it without you
I can do it, I can do it
I can do it, I can do it without youI'm not turning to the north again
Everybody has to talk on the train
And if you've got nothing that's clever to say
Nobody's listening to you anyway'Cause I can do it, I can do it
I can do it, I can do it without you
I can do it, I can do it
I can do it, I can do it without you
But it wouldn't be very goodWhat you want here? It doesn't matter
I don't think that it can be done without you
What you doing? It doesn't matter
But everything that's done is all about youWhile we convince each other nothing has changed
Nobody else will ever write the same
The Arab intention is the stage is not blame
For your protection all the names have been changedWell, I can do it, I can do it
I can do it, I can do it without you
I can do it, I can do it
I can do it, I can do it without youI can do it, I can do it
I can do it, I can do it without you
I can do it, I can do it
I can do it, I can do it without you
But it wouldn't be very good
