

# It Was So Easy

Carly Simon

I remember a time, rompin' through the woods  
Sun against our skin instead of clothes  
When we felt hungry we would eat  
When we felt glad we would dance  
And whenever we felt drowsy we would doze It was so easy then  
Never takin' any stands  
It was so easy then  
Holdin' hands I remember a time when our fears could be named  
And courage meant not refusing dares  
I remember when we took such cares to step never on the cracks  
No only on the squares or else we'd be abducted by the bears It was so easy then  
Never makin' any plans  
It was so easy then  
Holdin' hands It was so easy then  
Never makin' any plans  
It was so easy then  
Holdin' hands And now we are grown with debts and regrets  
And broken hearts and sentimental schemes  
Now every tender failure seems to overthrow old dreams  
Love can drive a normal woman to extremes It was so easy once  
Holdin' hands without a plan  
It was so easy once  
Holdin' hands  
Just holdin' hands
