Shake

5ive

Ladies and Gentlemen
Live from Madison funky garden ... Five
Let's get ready to rumbleGet on down in the gutter getting nasty
bring that funky rhyme don't waste my time let's do this
There's a game that I know you will not play
No time to waste 'cause times a test let's do thisYou got to work that body baby come on ladies show me
what you got ready or not 'cause here I come knocking
bring the beats to keep the whole block
rocking gimme some room and let me get down
can't hold back 'cause da Five's in your townEverybody got to grab somebody wow let's party{Bridge:}
Don't stop baby, baby shake if you really
want it Shake it baby Shake it nowBring that beat five boys want bass
got me stomping freak DJ spin that deck five girls caress
hey ladeez got hip hip Five, four, three, two freak me
show me what you got, how do you want to be rude boys got to
get raw split the decks and open up the dance floor{Bridge}Little Jack Horner sat in the corner sucking on some
butter in came Bo Peep naked to her feet
PPP Poor Boy start to stutter Humpty Dumpty sat on the wall
and da brother turned up da bass
we were freaking down to da funky sound
and everybody had food that dayLet me see ya freak dat funk {4x}Yo ladies in the house tonight you're looking
so fly
We got to rip the roof off this joint here we go ya
gots to repeat after me come on ladies, let's break it down
one time ladiesWhen I say Five you'll say rock five rock, five rock {4x}
