

# Huniachi (feat. Gloria Muliro)

## Reuben Kigame

Umeniahidi wewe Bwana;  
huniachi  
hadi mwisho wa dahali ulisema;  
huniachi  
wewe ni Mungu uliyemwaminifu siku zote  
mimi naiweka imani yangu kwako bwana

Nipitiapo maji mengi au moto;  
huniachi  
Unayejua jina langu ewe bwana;  
huniachi  
Unatengeneza njia hata mito kule jangwani  
Wewe ndiwe Alpha na Omega;  
huniachi

Uliwalinda Waisraeli kule jangwaani  
Ukamtoa Danieli kutoka tundu la simba  
Wewe hunainua na wanyonge siku zote  
Watuepusha na hatari kila siku  
Usifiwe

Baba hata mama wanaweza kunikataa  
Marafiki nao wanaweza nigeuka  
Mara kwa mara maadui wanizunguka  
Nitaishi kwa ahadi yako Bwana  
huniachi, huniaachi
