## Inna

La da da dee da da da da  
La da da dee da da da da  
La da da dee da  
La da da da dee da  
La da da dee da da da da da(One,two,three,go)I think I'm ready for you  
You take me higher, get me to cloud 9  
Go up to the light  
Yeah you can see all you want  
It doesn't matter cause we shine tonight  
I won't let you goSo baby give me more  
Don't leave me dancing on my own  
Yeah you can put me on  
And I can make your body glow  
Cause you, you and I, I will run the show  
In this moment you're all I wantHold me until the end of time  
Cause we are written in the sky  
Get close to my lips  
Lock you up in my kiss  
Tell me you will be mine tonight  
You will be mine tonight  
Be my loverBe my loverNow let me do it to you  
You've got my heartbeat beating like a drum  
I'll show you how it's done  
Yeah you can take all you want  
Do what you like  
Cause I'm all yours tonight  
Love my body rightSo baby give me more  
Don't leave me dancing on my own  
Yeah you can put me on  
And I can make your body glow  
Cause you, you and I will run the show  
In this moment you're all I wantHold me until the end of time  
Cause we are written in the sky  
Get close to my lips  
Lock you up in my kiss  
Tell me you will be mine tonight  
Be my loverBe my lover  
Be my loverCaught in a moment  
It's just you and me

Where have you been all my life  
Come be my lover and take me away  
Touch me and turn up my heart Get close to my lips  
Lock you up in my kiss  
Tell me you will be mine tonight  
You will be mine tonight  
Be my lover Be my lover  
Be my lover Be my lover  
Be my lover
