I Will Follow (live)

U2

I will followI was on the outside when you said
You said you needed me
I was looking at myself
I was blind, I could not seeA boy tries hard to be a man
His mother takes him by his hand
If he stops to think he starts to cry
Oh whyIf you walk away, walk away
I walk away, walk away, I will followIf you walk away, walk away
I walk away, walk away, I will follow, I will followI was on the inside
When they pulled the four walls down
I was looking through the window
I was lost, I am foundWalk away, walk away
I walk away, walk away, I will follow
If you walk away, walk away
I walk away, walk away, I will follow
I will followYour eyes make a circle
I see you when I go in there
Your eyes, your eyes, your eyes, your eyesIf you walk away, walk away
I walk away, walk away, I will followIf you walk away, walk away
I walk away, walk away, I will followI will follow
I will follow
I will follow
I will follow
I will follow
