The Sky Lit Up

PJ Harvey

I'm walking in the city tonight
I'm walking in the city at dark
Remembering, remember light
Thinking of nothing and the shooting starsAnd this world tonight is mine
A world to be remembered in
Think on a faded photograph
My hair longer than it's ever beenThe sky lit up
The sky, my friend
The sky lit up
And I'm lighter than I've ever beenI saw the trees crossing the moon
I, I saw the stars and the Heaven above
Shine on my own beautiful prayer
Shining on my own beautiful love andThe sky lit up
The sky, my friend
The sky lit up
And I'm lighter than I've ever beenAnd I'm dancing with him
In this city and in this town
I don't care what he's thinking of
Just take the car, just take my handThe sky lit up
The sky lit up
The sky lit up
The sky lit up
