Surrender

Joshua James

when i was young, times were tough
and they said, it makes you stronger
suffocate, in my sheets
turning blue on the tvbut i don't believe in much
no, i don't believe in much
no, i don't believe in muchsitting still, in a frame
it's the pa, that i remember
please be kind, and give your shirt
to the man and he'll surrenderbut i don't believe in much
no, i don't believe in much
no, i don't believe in much
til i want to singsha-la-la, sha-la-la, sha-la-la, sha-la-la
sha-la-la, sha-la-la, sha-la-la, sha-la-lashould have known, they'd be right
should have known, that i'm a mistake
should have seen, the holy ghost
but not for me, no it's for your sakeand i don't believe in much
no, i don't believe in much
no, i don't believe in much
til i want to singsha-la-la, sha-la-la, sha-la-la, sha-la-la
sha-la-la, sha-la-la, sha-la-la, sha-la-la
