

# I Will Keep On Loving You

## Aswad

Yes I will you know that I will  
Yes I will 'cause I'm sure that I will  
    Love you love you love you  
    So no matter what they do  
And no matter how they contradict  
    My philosophy, I know that  
        I will keep on loving you  
        So no matter what they do  
And no matter how they contradict  
    My integrity, I know that  
        I will keep on loving you  
        See I will keep on loving you  
Until the wind stop blowing in the air  
    Oh oh I will keep on loving you  
Until the morning dew stop falling  
    Lightly on the ground  
    Oh I will keep on loving you  
        Until until  
        So no matter what they do  
So no matter how they kinda fool me  
    Trying to fill my head with lies  
        I will keep on loving you  
        So no matter how they persecute  
My decision through righteousness  
    I will keep on loving you  
    Ya see I will keep on loving you  
        Until the sun refuses to give  
        Its light to all  
        Oh I I'll keep'on loving, you  
Until the moon it stops glowing at night  
    Oh I I'll keep on loving you  
Until untilUntil all the mountains  
    Have crumbled down  
    Yes all of them are washed  
        Into the sea you see  
    They could try a little more  
They could really come to cold I upBut I know that  
    I will keep on loving you  
        For the fear of his wrath

Yes the fear of him is always present  
Always ever present in my heart  
I will keep on loving you  
See even when I'm down there  
In their prison cell I know that  
I will keep on loving you  
When the times get rough  
And they say there's not enough  
To go around  
I will keep on loving you  
Yes I will I'll keep on loving you  
When life gets dreary I won't get weary  
You see I and I aswad by the grace of God  
Living in the righteous way
