

# Dead Of Winter

## Eels

Standin' in the dark  
Outside the house  
Breathin' in the cold  
And sterile air  
Well I was thinkin'  
How it must feel To see that  
Little light  
And watch it  
As it disappears  
And fades into  
And fades into the night So I know you're goin'  
Pretty soon  
Radiation sore throat  
Got your tongue  
Magic markers  
Tattoo you And show it  
Where to aim  
And strangers  
Break their promises  
You won't feel any  
You won't feel any pain And the streets are  
Jammed with cars  
Rockin' their horns  
To race to the wire  
Of the unfinished line Thought that I'd forget  
All about the past  
But it doesn't let me  
Run too fast  
And I just wanna  
Stand outside And know that  
This is right  
And this is true  
And I will not  
Fade into  
Fade into the night  
I'm standin' here in the dark
