Breathe

Alexi Murdoch

n the quiet of the shadow
In the corner of a room
Darkness moves upon you
Like a cloud across the moonYou're a-wearing all the silence
Of a constant that will turn
Like the windmill left deserted
Or the sun forever burnSo don't forget to breathe
Don't forget to breathe
Your whole life is here
No eleventh hour reprieve
So don't forget to breatheKeep your head above water
But don't forget to breatheAnd all the suffering that you've witnessed
And the hand prints on the wall
They remind you how it's endless
How endlessly you fallAnd the answer that you're seeking
For the question that you found
Drives you further to confusion
As you lose your sense of groundSo don't forget to breathe
Don't forget to breathe
Your whole life is here
No eleventh hour reprieve
So don't forget to breatheKeep your head above water
But don't forget to breatheBreathe....Don't forget to breathe
Don't forget to breathe
You know you are here
But you find you want to leave
So don't forget to... breatheJust breathe
Just breathe
Just breathe...
Just breathe...
Just breathe...
