Brightly Shines

Eiffel 65

You Use To Hide Behind A Wall, The Part Of You Nobody Knows
No One Ever Saw It
And Your Flower Deep Down In The Sea, Full Of Colours Deep Indeed
No One Ever Saw It Before
No One Ever Saw It Before
Your Shines Is Leaving You Alone
You Use To Hide Behind A Wall, The Part Of You Nobody Knows
No One Ever Saw It
And Your Flower Deep Down In The Sea, Full Of Colours Deep Indeed
No One Ever Saw It Before
No One Ever Saw It Before
Your Shines Is Leaving You Alone
Just Put Your Trust In Who You Are
In Who You Are
Why Can't You See It, There Is A Light That Brightly Shines
Inside Your Head
There Is A Light That Brightly Shines, That Brightly Shines
Inside Yourself
Why Can't You See It, There Is A Light That Brightly Shines
Inside Your Head
There Is A Light That Brightly Shines, That Brightly Shines
Inside Yourself

You Use To Hide Behind A Wall, The Part Of You Nobody Knows
No One Ever Saw It
And Your Flower Deep Down In The Sea, Full Of Colours Deep Indeed
No One Ever Saw It Before
No One Ever Saw It Before
Your Shines Is Leaving You Alone
Just Put Your Trust In Who You Are
In Who You Are
Why Can't You See It, There Is A Light That Brightly Shines
Inside Your Head
There Is A Light That Brightly Shines, That Brightly Shines
Inside Yourself
Why Can't You See It, There Is A Light That Brightly Shines
Inside Your Head
There Is A Light That Brightly Shines, That Brightly Shines
Inside Yourself

Why Can't You See It, There Is A Light That Brightly Shines
Inside Your Head
There Is A Light That Brightly Shines, That Brightly Shines
Inside Yourself
Why Can't You See It, There Is A Light That Brightly Shines
Inside Your Head
There Is A Light That Brightly Shines, That Brightly Shines
Inside Yourself
