

# Blow Me (One Last Kiss)

Michaela Paige

White knuckles  
and sweaty palms from hanging on too tight  
clenched shut jaw  
i've got another headache again tonight

hands on fire, hands on fire  
and they burn from all the tears  
i've been crying, i've been crying  
i've been dying over you  
tie a knot in the rope  
trying to hold, trying to hold  
but there's nothing to grab, so I let go!

Chrous  
I think i've finally had enough  
I think i maybe think too much  
i think this might be it for us  
blow me one last kiss  
You think im just too serious  
i think you're full of shit  
my head is spinning so  
blow me one last kiss  
Just when it can't get worse  
I've had a shit daaaya  
You've had a shit daaaaya  
We've had shit daaaaya

I think you like to show off this  
you blow my ignorance to bliss  
i think i've had enough of this  
blow me one last kiss

I won't miss, all of the fighting, that we always did  
take it in, and i mean what i say when i say there is nothing left

No more sick, whiskey dick,  
no more battles for me  
you'll be calling a trick  
cuz you know im asleep  
im just nice, i look good

i am only dancing alone  
i will laugh, i'll be drunk  
i'll take somebody home!

{ chorus }

Blow me one last kiss

I will do what i please, anything i want  
i will breathe, i will breathe, i won't worry at all  
you will pay for your sin, you'll be sorry my dear  
all the lies, otherwise will all be crystal clear

{ chorus }

Blow me one last kiss

Blow me one last kiss
