

All I Need (feat. Mary J. Blige)

Method Man

You're all that I need, I'll be there for you
If you keep it real with me, I'll keep it real wit'chu
Loving your whole steeze, it be in there boo
On top of that you got the good power youShorty I'm there for you anytime you need me
For real girl, it's me in your world, believe me
Nuthin' make a man feel better than a woman
Queen with a crown that be down for whatever
There are few things thats forever, my lady
We can make war or make babies
Back when I was nuthin'
You made a brother feel like he was something
Thats why I'm with you to this day boo, no frontin'
Even when the skies were gray
You would rub me on my back and say baby it'll be O.K.
Now that's real to a brother like me baby
Never ever give my pussy away and keep it tight aight
And I'm a walk these dogs so we can live
In a fat ass crib with thousands of kids
Word life you don't need a ring to be my wife
Just be there for me I'm a make sure we
Be livin' in the fucking lap of luxury
I'm realizing that 'cha didn't have to fuck with me
But 'cha did, now I'm going all out kid
And I got mad love to give, you my niggaYou're all that I need, I'll be there for you
If you keep it real with me, I'll keep it real wit'chu
Loving your whole steeze, it be in there boo
On top of that you got the good power youYou're all that I need, I'll be there for you
If you keep it real with me, I'll keep it real wit'chu
Loving your whole steeze, it be in there boo
On top of that you got the good power youI got a Love Jones for your body and your skin tone
Five minutes alone I'm already on the bone
Plus I love the fact you got a mind of your own
No need to shop around you got the good shit at home
Even if I'm locked up north you in the world
Rockin' three-fourths of cloth never showin' your stuff off, boo
It be true me for you thats how it is
I can be your Noah you can be my Wiz
Then I can be your sun, you can be my earth
Resurrect the God through birth

Best believe You're all that I need, I'll be there for you
If you keep it real with me, I'll keep it real wit'chu
Loving your whole steeze, it be in there boo
On top of that you got the good power you You're all that I need, I'll be there for you
If you keep it real with me, I'll keep it real wit'chu
Loving your whole steeze, it be in there boo
On top of that you got the good power you
