# Chip Diddy Chip

## Chipmunk

Hey, hey, hey, hey
Dear
I love music, baby, there goes the kiss
Because she's my lady
But everybody wants to try me lately
So I'm easin' off the bus an' pedal biking lately
You see music, it brings me haters
Haters got wifeys, they bring me papers
And the mummy's do love these MC's
So the apple doesn't fall too far from the tree
I'm movin' up so I'm celebratin'
The girls off the brain but I'm educated
Thanks for always, I'm elevating
So me an' roll hype get segregatin'
I live a love with a best, it's blatant
Ma' watch said there ain't time for haters
So if you look for trouble, no, I ain't into that
I'm just a cool dude out for papers
Ma' name's Chip Diddy Chip
I don't ever tolerate lip diddy lip
I don't play around, I'm just trying to do ma' music
But say the wrong thing and I'll flip diddy flip
Some say it's luck but I don't give a, ow
Wave to ma' haters like, 'See you at the top'
I'm the best in the bizz right next to the kid
Everybody say ma' name now Chip Diddy Chip
They like Chips, he's a swagger don
Annoys the haters like a tag along
Quick too 'cause he know I ain't havin' none
If you're cool, I'm cool, we can get along
Different day, same issue, you know what I'm on
Nobody's eatin' if Chippy ain't gettin' none
They can have half a pie if I'm gettin' one
But once I've ate mine everyone's gettin' some
'Cause you know just how I stay
If you help me now eat mine, you get paid
A new law over town, you know what they say
Chipmunk's too cold, no, you don't say
I didn't see back as music pays

It's like more, more money, more haters hate
I'm in the studio from day to day
It's like work, work, work they can't knock the raise
A clever man tried bumpin' me
But ain't stupid you can count ma' ass
Ma' name's Chip Diddy Chip
I don't ever tolerate lip diddy lip
I don't play around, I'm just trying to do ma' music
But say the wrong thing and I'll flip diddy flip
Some say it's luck but I don't give a, ow
Wave to ma' haters like, 'See you at the top'
I'm the best in the bizz right next to the kid
Everybody say ma' name now Chip Diddy Chip
And ain't nobody floppin' me
Check the Youtube, everybody's watchin' me
I do the damn thing properly
I say turn left an' everybody follows me
They are your laws who know [Incomprehensible]
I'm lyrically may fair on monopoly
I don't watch face but everybody's flockin' me
Yes, I am Chipmunk, there's no other me
See me an' it look like I'm talkin' to myself
Look I'm only spittin' bars, man, please, don't bother me
Once a son, ain't nobody hot for me
Ask the moon, ain't a star that's bluff to me
The other stars make room when I'm coming through
Beside bars I'm in control of the galaxy
I don't play no games, so don't challenge me
These youths are just knockin' ma' salary
I love bars like I need more calories
It's kinder garden not same
Ain't ready for this [Incomprehensible]
Yeah, look the stars here
Please, P.S., give me a drum roll, please
Ma' name's Chip Diddy Chip
I don't ever tolerate lip diddy lip
I don't play around, I'm just trying to do ma' music
But say the wrong thing and I'll flip diddy flip
Some say it's luck but I don't give a, ow
Wave to ma' haters like, 'See you at the top'
I'm the best in the bizz right next to the kid
Everybody say ma' name now Chip Diddy Chip, aha
Ma' name's Chip Diddy Chip
I don't ever tolerate lip diddy lip
I don't play around, I'm just trying to do ma' music

But say the wrong thing and I'll flip diddy flip
Some say it's luck but I don't give a, ow
Wave to ma' haters like, 'See you at the top'
I'm the best in the bizz right next to the kid
Everybody say ma' name now Chip Diddy Chip
Hey, hey
