

# Bent Over the Cross

## Agoraphobic Nosebleed

Holy Roman orgy, fondlers of the cloth.  
Catholic schools i.d. possible elementary level queer stock.  
Gay, shamed and guilted over to god,  
slipping the white collar over fresh cock.  
This is the semen of your salvation,  
bent over the fuckin' cross.  
Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
