Freak

Urban Cone

I'm living in the shadows, I'm in the street
If you try to get me, I'll fight you back
They treat me like a monster, they treat me like a freak
Don't try to get me, I'll fight you back

Don't leave footprints in the snow, footprints in the snow
Cause they will track you like a freak, track you like a freak

This town is a prison, and I want to break free
Even though I'm nothing, I'll fight you back
Is it cause I'm smaller, is it that I'm weak
Maybe I am a freak

Don't leave footprints in the snow, footprints in the snow
Cause they will track you like a freak, track you like a freak

Don't leave footprints in the snow, footprints in the snow
Cause they will track you like a freak, track you like a freak

Footprints in the snow,
Footprints in the snow,
Footprints in the snow

Footprints in the snow, in the snow, footprints in the snow,
Cause they will track you like a freak, track you like a freak

Don't leave footprints in the snow, footprints in the snow
Cause they will track you like a freak, track you like a freak
