

Appletree (Live @ The Jazz Caf )

Erykah Badu

I'd like to dedicate this to all of the Creator's righteous children
I have some food in my bag for you
Not that edible food the food you eat?
No I have some food for thought
Since knowledge is infinite it has infinitely fell on me
So ummIt was a stormy night
You know the kind where the lightning strike
And I was hangin' out wit some of my "artsy" friends
Ooh wee ooh wee ooh
The night was long the night went on
People coolin' out until the break of dawn
Incense was burnin' so I'm feelin right aightSee I picks my friends like I pick my fruit
& Ganny told me that when I was only a youth
I don't go 'round trying to be what I'm not
I don't waste my time trying ta get what you got
I work at pleasin' me cause I can't please you
And that's why I do what I do
My soul flies free like a willow tree
Doo wee doo wee do weeAnd if you don't want to be down with me
You don't want to pick from my appletree
And if you don't want to be down with me
Then you don't want to pick from my appletree
And if you don't want to be down with me
Then you don't want to pick from my appletree
And if you don't want to be down with me
You just don't want to be downI have a ho
And I take it everywhere I go
Cause I'm planting seeds
So I reaps What I sow ya know
Oh on & on & on & on
My cipher keeps movin' like a rollin' stone
I can't control the soul flowin' in me
Ooh weeSee I picks my friends like I pick my fruit
& Ganny told me that when I was only a youth
I don't walk around trying to be what I'm not
I don't waste my time trying ta get what you got
I work at pleasin' me cause I can't please you
And that's why I do what I do
My soul flies free like a willow tree

Doo wee doo wee do wee And if you don't want to be down with me
You don't want to pick from my appletree
And if you don't want to be down with me
Then you don't want to pick from my appletree
And if you don't want to be down with me
Then you don't want to pick from my appletree
And if you don't want to be down with me
You just don't want to be down Oh my my my
Oh my my my
Oh my my my ah
Oh my my my my my my my
Oh

I picks my friends like I pick my fruit
& Ganny told me that when I was only a youth
I don't walk around trying to be what I'm not
I don't waste my time trying ta get what you got
I work at pleasin' me cause I can't please you
And that's why I do what I do
My soul flies free like a willow tree

Doo wee doo wee do wee And if you don't want to be down with me
You don't want to pick from my appletree
And if you don't want to be down with me
You dum dum diddy
And if you don't want to be down with me
You don't want to pick from my appletree
And if you don't want to be down with me
You just don't want to be down
You just don't want to be down
Ohh you just don't want to be down
Down, down, down
You just don't want to be down
Ohh
You just don't want to be down
Down
