

Uncle George

Steel Pulse

Jackson.....

Militant, Revelation, Oh toh toh, Isse kno, Aye George Jackson (Jackson, Jackson) (4) Malicious injustice society

He became a revolutionary Jackson (Jackson, Jackson)

George Jackson (Jackson, Jackson) The day I heard George Jackson died blood was in my eye

Can make a champ roll down the system? was my battle cry

He was advise and pleading guilty for the little monkey dollars he stole

Battle scars of fair injustice the truth was never told no way cause (They framed him Yes they framed him)

If I could back up George

(They framed him Yes they framed him)

Accused of killin' a prison guard

(They tamed him Yes they tamed him)

I say dem lock up George yeah

(They chained him Yes they chained him)

Fightin' for a cause now (Jackson, Jackson)

George Jackson (Jackson, Jackson) (3) Malicious injustice society

He became a revolutionary Jackson (Jackson, Jackson)

George Jackson (Jackson, Jackson)

Aye! Seven year confinement put in an resistance

Because he was demanding his rights

Down there in the dungeon, counting in a pod

His parole was out-of-sight, yeah (They framed him Yes they framed him)

Three Cheers For Uncle George

(They framed him Yes they framed him)

Torture and darkness was all he saw

(They tamed him Yes they tamed him)

A battled clad trench made no one known

(They chained him Yes they chained him)

Rebbeling for a cause (Jackson, Jackson)

George Jackson (Jackson, Jackson)

Jackson (Jackson, Jackson)

George Jackson (Jackson, Jackson) Malicious injustice society

He became a revolutionary (Jackson, Jackson) George Jackson fade out
