

# Stuck With You

## Caesars

I was jumping and I hit my head real hard  
I was smiling when I stumbled on that stone  
Yes, I really wasn't looking straight ahead  
I didn't see that every light was turning red  
And now I'm thinking to myself  
Don't know what I was doing there  
And now I'm saying to myself  
I'm glad I did get out of there  
Glad, I wasn't stuck with you  
I was laughing when I fell out from that tree  
I was dreaming but I woke up with a bang  
Yes, I really wasn't looking straight ahead  
I didn't see that every light was turning red  
And now I'm thinking to myself  
Don't know what I was doing there  
And now I'm saying to myself  
I'm glad I did get out of there  
Glad, I wasn't stuck with you
