Behind Enemy Lines

Bolt Thrower

Behind the lines
Concealed
Deconstructed truth
RevealedClear from all known danger
Hostility deplored
Ignorance the principal
Unknown warsNow beneath
Electric skies
Artilleries
Unearthly cryDevastating power
Cynically imposed
Futile resistance
Savagely disposedNo expectations
Courage of despair
Annihilated wisdom
Belligerence declaredIt's all illusion
Life's tragedy
No comprehension
BeyondInfinity, infinity
Infinity, infinity
