

# Out of Time

## Blur

Where's the love song to set us free  
Too many people down  
Everything turning the wrong way round And I don't know what love will be  
But if we stop dreaming now  
Lord know we'll never clear the clouds And you've been so busy lately  
That you haven't found the time to open up your mind  
And watch the world spinning gently out of time Feel the sunshine on your face  
It's in a computer now  
Gone are the future way out in space And you've been so busy lately  
That you haven't found the time to open up your mind  
And watch the world spinning gently out of time And you've been so busy lately  
That you haven't found the time, to open up your mind  
And watch the world spinning gently out of time Tell me I'm not dreaming but are we out of time  
We're out of time, out of time, out of time  
Out of time, out of time
