Push Me To The Limit

No Angels

Push me to the limit (ohoho)
I can't wait (ohohohoh, yeah)
Push me to the limit (oh, just push me, push me, push me)
Can't you feel(ah)Time to time I'm just to blind to see
Oh so many things brought in to my live (I'm dreaming)
Everyday I try to find the key
The fire of desire
Life should carry on (yeah)
Till the end of timePush me to the limit
I can't wait a minute
Please don't ask
Ask me for devotion
Push me to the limit
I can't wait a minute
Can't you feel
The poetry in motion
(I can't wait, I can't wait, oh I can't wait)
(I can't wait, I can't wait)(ohohoho)
When I'm walking down the line to see
Every danger that live can bring to me (I'm dreaming)
Change is a stranger, but I feel so free
We're dancing through our lives
This should carry on(yeah)
Till the end of timePush me to the limit
I cant wait a minute
Please don't ask
Ask me for devotion
Push me to the limit
I cant wait a minute
Can't you feel
The poetry in motion
(I can't wait, I can't wait)
(yeaheaheah)
(I can't wait, I can't wait)
Its poetry in motion
(I can't wait, I can't wait)
(ohohohoh)
(I can't wait, I can't wait)
Life should carry on

Till the end of timePush me to the limit
I cant wait a minute
Please don't ask
Ask me for devotion
Push me to the limit
I cant wait a minute
Can't you feel
Poetry in motionPush me to the limit
(push me, push me)
Please don't ask
Ask me for devotion
Push me to the limit(yeaheah)
Can't you feel(nanananao)
The poetry in motionPush me to the limit
(push me to the limit,baby)
Please don't ask
Don't ask me for devotion
Push me to the limit
