Hit N' Run

Monrose

(My Hit'n'Run)
(My Hit'n'Run)

I like how you drive
How you lean into it
I might take a ride
Try you on
I spark in the dark
Drippin', rippin' thorugh
With you car, pumpin' hard,
Then I'm gone

I like how you drive
How you push the limit
Straight to lights,
Hit your eyes
Tinted glass.
You steer cavalier,
Put your body in it,
Maybe we're gonna crash.

I'm the track you need to race,
I've got a dangerous car for you to hawk
The finish line is face to face,
Like it wasn't a hundred miles an hour

Start my engine,
Push the accelerator.
Get me drivin',
Become my Hit'n'Run.
Put down you're window
And turn the music on,
Faster, baby,
Become my Hit'n'Run

I like how you drive,
How your lip is sweatin'
You're mine for tonight,
Brace yourself.
Don't stop for the cops

Cause you're close to gettin' your shot
On the tops, can't you tell?

I'm the track you need to race,
I've got a dangerous car for you to hawk
The finish line is face to face,
Like it wasn't a hundred miles an hour

Start my engine,
Push the accelerator.
Get me drivin',
Become my Hit'n'Run.
Put down you're window
And turn the music on,
Faster, baby,
Become my Hit'n'Run

(My Hit'n'Run)
(My Hit'n'Run)

Start my engine,
Push the accelerator.
Get me revin',
Become my Hit'n'Run.
Put down you're window
And turn the music on,
Faster, baby,
Become my Hit'n'Run

Start my engine,
Push the accelerator.
Get me revin',
Become my Hit'n'Run.
Put down you're window
And turn the music on,
Faster, baby,
Become my Hit'n'Run
