

Another Man (Original Mix)

Bakermat

Far into the night
The stars went out, and so did the moon
The singer stopped playing and went to bed
As the weary blues traveled through his head
He slept like a rock, or a man that's dead
Another man on the shore
I didn't know his name
He had a long time gone
He killed another man
Another man on the shore
I didn't know his name
He had a long time gone
He killed another man
Another man on the shore
I didn't know his name
He had a long time gone
He killed another man
Another man went under
Under God we run
Another man on the shore
I didn't know his name, I didn't know his name, I didn't know his name
Know his name
I didn't know his name
Brought 'em back? "Yes Ma'am"
In the bounce house? "Yes Ma'am"
In my blouse? "Yes Ma'am"
Did you buy me new shoes? "Yes Ma'am"
Buy new shoes? "Yes Ma'am"
Was he runnin' crazy? "Yes Ma'am"
Better now? "Yes Ma'am"
What you waiting for?
Choo choo all night long
Choo choo all night long
Choo choo all night long
Choo choo all night long
Choo choo all night long
Choo choo all night long
Choo choo all night long
Choo choo all night long
Choo choo all night long
Choo choo all night long
Choo choo all night long
Another man on the shore

Another man on the shore
I didn't know his name, I didn't know his name, I didn't know his name
