

The Blood That Moves the Body (Demo)

[a-ha](#)

It's the way we feel
Tonight
As if it's all unreal
All right
My love, won't you come back to
Our love, you know I'll react to
The blood that moves the body
Now covers the ground
The blood that moves the body
The blood that moves the body There's nowhere to go
Tonight
Lend some warmth to our cold
And lonely lives
Red stains on 'Eyes Of A Blue Dog'
My pains fade as the interiors fog
The blood that moves the body
Now colors the ground
The blood that moves the body
The blood that moves the body Not long ago
It hurts us so
A tremble through our lives
The love love and care
The way we were
Lost it's way at nights It's the way we feel
Tonight
Lend some warmth to our cold
And lonely lives
My love, won't you come back to
Our love, you know I'll react to
The blood that moved our bodies
Now covers the ground
Now covers the ground
The blood that moves the body
The blood that moves the body
