Be My Baby

Royal Republic

I cant get you off my mind
You know youve really got me blind
Wont you let me be your man?
Wont you let me hold your hand?No need to read between the lines
I just gotta make you mine
And theres something you should know
Im never gonna let you goBe my baby
Be my baby
Be my baby
AlrightIve got a hole in my soul
Ive got a hole in my soul
But its only rock n roll
Yea, its only rock n rollBe my baby
Be my baby
Be my baby
Oh yeaEvery time I die
Ill make you my childBe my baby
Be my baby
Be my babyI wish that you were mine
Lets do it one more timeBe my baby
Be my baby
Be my babyI wish that you were mine
Im gonna make you mineIm gonna make you mine
Im gonna make you mine
Im gonna make you mine
