# It Wouldn't Have Made Any Difference

## Alison Krauss

Do you remember the last time I said
If I ever thought of lying, I'd rather think of dying instead
And the last time you called me to say we were through
How it took a million tears just to prove they all were for you
But it wouldn't have made any difference if you loved me
How could you love me
When it wouldn't have made any difference if you loved me?
You just did not love me
'Cause I know of hundreds of times I could be
In the most unfaithful arms that you've always pictured me
And though I can't always show proof I was true
No one else could change my mind or stop me coming home to you
But it wouldn't have made any difference if you loved me
How could you love me
When it wouldn't have made any difference if you loved me?
You just did not love me
Enough to believe me
Enough not to leave me
Enough not to look for a reason to be unhappy with me
And make me regret ever wanting you
It wouldn't have made any difference
Wouldn't have made any difference
Wouldn't have made any difference
Wouldn't have made any difference
Wouldn't have made any difference
Wouldn't have made any difference
