

Strangler

Calla

Something's gotten into your head
Say what You said
Say what You said
I can do anything, anything
Though it doesn't matter to You
(I'll find it out...)I can get the same effect if You strangle meSomething's gotten hold of my tongue
See what You've done
See what You've done
I would give anything, anything
Just to see it happen to You
(I'll find it out...)I can get the same effect, if You strangle me
I can get the same effect, if You strangle me
I can get the same effect, if You strangle me
