The Last Goodbye

David Cook

If you hear this on the radio
Then we've already said our last goodbye
I won't be there when you get home
by now there's someone else that hears you cry
I wonder if he holds you like I did
I hope that he can love you better
Cause you were everything that's right at the wrong time
[Chorus]I didn't wanna lose you
leave me with a broken heart
but wherever we are, we're miles apart
I know that we tried, but this is the last goodbye
Oh, I didn't want to let you go
But wherever we are, we're miles apart
I know that we tried, but this is the last goodbye
We were almost beautiful
A broken piece of art put on display
But we were never possible
Another perfect moment thrown away
I know somebody out there will love you

They'll be the forever we never were
Cause we were everything that's right at the wrong time
[Chorus]I didn't want to lose you
Leave you with a broken heart
But wherever we are, we're miles apart
I know that we tried, but this is the last goodbye
Oh, I didn't want to let you go
But wherever we are, we're miles apart
I know that we tried, but this is the last goodbye
If you hear this on the radio
Then we've already said our last goodbye
Our last goodbye...
[Chorus]I didn't want to lose you
Leave you with a broken heart
But wherever we are, we're miles apart
I know that we tried, but this is the last goodbye
Oh, I didn't want to let you go
But wherever we are, we're miles apart
I know that we tried, but this is the last goodbye
