Bring rivers in this wasteland  
Clouds into this sky  
Bring springs of life into the wells that have been run dryRise up in this city  
Gather in this light  
Fall down on your people  
Your glory and your lifeRain  
Lord we thirst for water  
Rain  
We are desert Land  
Rain  
On your sons and daughters  
Rain  
Bring your rain againSpeak dreams into this water  
And vision to this land  
That oceans be divided  
And bring forth life againRise up in this city  
Gather in this light  
Fall down on your people  
Your glory and your lifeCHORUS x 2Let the tide roll in  
Washing over our lives  
Let your water fall againBring rivers in this wasteland  
Clouds into the skyCHORUS x 2Bring your rain again  
Let your water fall down  
Bring your rain again now  
(repeat)
