There Is No Other

Life.Church Worship

Like a flood
Heaven come down
Over us
Wash us cleanBy the blood
Jesus poured out
All for us
He set us free

Let our hearts desire
Be more of You
Till our only cry is to be made new

With all our praise
We're Yours forever
Our God and King
There is no other
With all our praise
(X2)

Like a flood
Heaven come down
Over us
Wash us cleanBy the blood
Jesus poured out
All for us
He set us free

With all our praise
We're Yours forever
Our God and King
There is no other
(X2)

Let all before us fall away
Until there's only You
And all the earth will call Your name
There is no other
(X4)

With all our praise

We're Yours forever
Our God and King
There is no other
(X2)

Let all before us fall away
Until there's only You
And all the earth will call Your name
There is no other
(x2)
