

# There Is No Other

## Life.Church Worship

Like a flood  
Heaven come down  
Over us  
Wash us clean By the blood  
Jesus poured out  
All for us  
He set us free

Let our hearts desire  
Be more of You  
Till our only cry is to be made new

With all our praise  
We're Yours forever  
Our God and King  
There is no other  
With all our praise  
(X2)

Like a flood  
Heaven come down  
Over us  
Wash us clean By the blood  
Jesus poured out  
All for us  
He set us free

With all our praise  
We're Yours forever  
Our God and King  
There is no other  
(X2)

Let all before us fall away  
Until there's only You  
And all the earth will call Your name  
There is no other  
(X4)

With all our praise

We're Yours forever  
Our God and King  
There is no other  
(X2)

Let all before us fall away  
Until there's only You  
And all the earth will call Your name  
There is no other  
(x2)
