

# Dallas

## Billie Jo Spears

Dallas packed her suitcase and drove off in the brand new car I bought her  
She made leaving me look easy, I wish she'd made it look a little harder  
I took her out of Texas when she was just a girl  
But old Tennessee and me couldn't take Texas out of her  
On how I wish Dallas was in Tennessee  
If I could move Texas east, then she'd be here with me  
Then nothin' else would come between the two of us  
If Dallas was in Tennessee  
By now she's leaving Memphis and everything we had behind her  
Lord I hope the gold band on her hand will serve as a reminder  
That true love is a treasure, that's very seldom found  
But you can't stay together if there's no common ground  
Oh how I wish Dallas was in Tennessee  
If I could move Texas east, then she'd be here with me  
Then nothin' else would come between the two of us  
If Dallas was in Tennessee, oh if Dallas was in Tennessee  
Dallas packed her suitcase  
And drove off in the brand new car I bought her
