

# Comin' Home (Original Version)

## Lynyrd Skynyrd

It's been so long since I've been gone  
Another day might be too long for me  
Traveling around I've had my fill  
Of broken dreams and dirty deals  
A concrete jungle surrounding me  
Many nights I've slept out in the streets  
I paid my dues and I changed my style  
Seen hard times. all over now I want to come home. It's been so long since I've been away  
And please, don't blame me 'cause I've tried  
I'll be coming home soon to your love to stay I miss old friends that I once had  
Times ain't changed and I'll be glad when I go home  
I don't know why the thought came to me  
But why I'm here I really can't see. and now... I want to come home. It's been so long since I've been away  
And please, don't blame me 'cause I've tried  
I'll be coming home soon to your love to stay  
Coming home to stay  
Coming home to your love, mama  
I've seen better days I miss old friends that I once had  
Times ain't changed and I'll be glad when I go home  
I don't know why the thought came to me  
But why I'm here I really can't see. and now... I want to come home. It's been so long since I've been away  
And please, don't blame me 'cause I've tried  
I'll be coming home soon to your love to stay  
Coming home to stay  
Coming home to your love, mama  
I've seen better days
