Wasting My Time

Default

Well, I don't want to see you waiting
I've already gone too far away
I still can't keep the day from ending
No more messed up reasons for me to stayWell, this is not for real, afraid to feel
I just hit the floor, don't ask for more
I'm wasting my time, I'm wasting my time
You can't stop the feeling, there is no reason
Let's make the call and take it all again, woah againMonths went by with us pretending
When did our light turn from green to red?
I took a chance and left you standing
Lost the will to do this once againWell, this is not for real, afraid to feel
I just hit the floor, don't ask for more
I'm wasting my time, I'm wasting my time
You can't stop the feeling, there is no reason
Let's make the call and take it all
I'm wasting my time, I'm wasting my time again, woah againI see you waiting
Lonesome, lonely
I see you waiting
I see you waitingWell, this is not for real, afraid to feel
I just hit the floor, don't ask for more
I'm wasting my time, I'm wasting my time
You can't stop the feeling, there is no reason
Let's make the call and take it all
I'm wasting my time, I'm wasting myWell, this is not for real, afraid to feel
I just hit the floor, don't ask for more
I'm wasting my time, I'm wasting my time
You can't stop the feeling, there is no reason
Let's make the call and take it all
I'm wasting my time again, woah again
