## Various Artists

Thirteen years of solid gold platters  
Rising cost and cocktail chatter  
Fat DJ's, stereophonic sound, oh baby  
The game of hits goes 'round and aroundBut you can fake your way to the top  
    'Round and around

    And 'round and around  
    And 'round and around  
    And 'round and aroundI made it slowly
