

Here You Come Again

Dolly Parton

Here you come again
Just when I've begun to get myself together
 You waltz right in the door
 Just like you've done before
 And wrap my heart 'round your little finger

Here you come again
Just when I'm about to make it work without you
 You look into my eyes
 And lie those pretty lies
And pretty soon I'm wonderin' how I came to doubt you

All you have to do is smile that smile
 And there go all my defenses
Just leave it up to you and in a little while
You're messin' up my mind and fillin' up my senses

Here you come again
Lookin' better than a body has a right to
And shakin' me up so that all I really know
 Is here you come again ...
 And here I go

[break]

All you have to do is smile that smile
 And there go all my defenses
Just leave it up to you and in a little while
You're messin' up my mind and fillin' up my senses

Here you come again
Lookin' better than a body has a right to
And shakin' me up so that all I really know
 Is here you come again ...
 And here I go (here you come again)

Here I go
Here I go (here you come again)
 And here I go
 Here I go (here you come again)

Here I go
Here I go (here you come again)
Here I go
